

# THE DETECTION AND PREVENTION OF TARGETED VIOLENCE

IN SCHOOLS AND WORKPLACES

“Apparently, a lot of people knew **something was off** with the gunman based on his behavior in person and on social media”

-2018 Florida Massacre

WITH EACH SCHOOL AND WORKPLACE ATTACK, THE  
NATION EXPERIENCES SADNESS, ANGER, AND  
DEMANDING ANSWERS...

WE WANT TO KNOW WHY IT HAPPENED AND HOW TO  
GET THESE ATTACKS TO STOP.

“The key to getting Targeted  
Violence to **STOP**, is to  
understand why they **START**”

IN THIS COURSE, WE EXPLORE WARNING SIGNS,  
BEHAVIORS, AND POTENTIAL INDICATORS OF A PENDING  
ATTACK BY A STUDENT OR COWORKER.

THROUGH ASSESSMENTS, ATTACKS IN SCHOOLS AND  
WORKPLACES CAN BE PREVENTED, INNOCENT LIVES  
SAVED, AND HELP GIVEN TO THOSE IN NEED.
